Officers are elected to serve a one-year term and Directors for three years. Officers and Directors are installed at the annual Banquet in January.

President's Message

Sportsmanship

A "Sportsmen's" club is a group of like minded people gathered for the good of all. Sportsmanship is the act of a sportsman and sports-women being a good loser and/or giving way to another person in a unselfish manner. You've all heard the word "team player". Now there's a good one! I feel most are "team players". Some are not, some seem to have there own agenda for self importance. The only purpose served in this is to divide the group of team players.

Wobble Shoot News

Results

On April 23rd and May 7th the St. Charles Sportsmen's Club hosted registered Wobble Shoots. We had 13 shooters on the 23rd and 15 on May 7th participate in the 100-target programs. We had two great spring days for shooting and shot some great targets. On April 23rd Tom Berry's 92 topped Kent Burns and Bob Scherf's 91's for the high scores of the day. On May 7th Dean Perle posted an impressive 94 to move ahead of Miles Hyde's 92 for the days top honors. Ted Roncoli pushed the top scores with his 91.

Our next regular registered shoot date will be on June 11th. This will again be a 100-target event, but we will offer a second hundred targets to anyone wishing to prepare for the State Shoot on August 13th. We will have our last regular Wobble shoot on July 23rd. The Illinois State Wobble Shoot will be held on August 13th at St. Charles. Registration will begin at 9:00 and the program will start at 9:30.

Wobble is a lot of fun and these are pretty low-keyed events. This is a great way to enter competitive shooting or just come out and get in some fun targets. It's not too late to become part of this target game.

The State Shoot will consist of a required 200 targets. For the State Shoot we will shoot 10 targets at a post (50 in each round) which will speed up the event. Entrants will have to have 200 previously recorded targets to be able to compete in the State Shoot.

President's Message *continued...*

Now those with their own agenda will argue relentlessly that their purpose is for the betterment of the club. In reality it may only be their own agendas, self-beliefs and self importance that motivates them. I believe that those who are not team players, and I don't mean those with different opinions, but with those who, if they could divide the team, should be removed from the team.

In the business world this would be done in the interest of business. In pro sports this will not be tolerated, in the armed services... well, you would have to been there to find out what happens if you are not a team player. In my opinion, we should all sit back and evaluate our motives, and if they are not in the best interest of the club, then we should have the courage to step aside or join the team. As I have said before, no one person, no one group, no one activity is larger than the whole of the club. Some clubs in the past have had great difficulties with those who have their own agendas or beliefs other than that of the organizations. You know that all these clubs have survived and in the end have become stronger and wiser, because of the team members who were proud to stand by their beliefs. All of us should remember, this is our club and it is the only one we have, so let's all do our best to ensure that we always serve in the best interest of the club.

God bless America.

Remember to share your sport.

Hope to see you at the club.

Meeting Info

The next Junior meeting is being held on Tuesday 6/13. The meeting will run from 6 – 8PM. We will be covering sporting clays at this meeting. We will be shooting (50) targets on the sporting clays field. The cost for the Junior Members is \$8.00. Please try to be at the clubhouse promptly at 6PM. We don't want to run out of daylight. There will be a short discussion period and then we will divide into groups to go through the course. Parents are invited to shoot with the juniors if they wish too.

Hope to see you all next Tuesday.

Ed & Karen Spearing

Members since 1990, Ed and Karen became directors in 1997 and 1998 and have been in charge of Sportsmen's Activities and the Lake. They have lived in Bartlett for many years.

Karen is a teacher who is retiring in June and Ed is an aborist who is also retiring in June. They plan to move to Cody, Wyoming sometime this summer and are already members of the Cody Shooting Complex, a 350 acre club with 5-stand, cowboy shooting, 100, 300, 500, and 1200 rifle range, trap, skeet, and sporting clays fields.

Why Choose Wyoming?

Well, the weather is good, the landscape is nice, not flat like northern Illinois and when you buy a gun you can take it home right away. Wyoming is also introducing legislation for concealed carry but it already assumes that you carry. Ed says that the biggest benefit to moving to Wyoming is that he will only have to cut the grass once a year because it only grows a half inch.

Favorite Shooting Sports?

All of them! And Karen just got a brand new fly rod and new shotgun and she said that her goal is to wear both of them out. In their spare time (what spare time?) they like to fish.

Memorable Experiences

Karen remembers the time when she shot a duck and it was so high up that when it hit the water it plucked itself just from the force of hitting the water.

Thoughts About SCSC

The thing they like most about SCSC is the ability to shoot. Since joining they have seen a lot of changes such as the addition of lake fishing, Hunter Safety programs, Sporting Clays, hunting areas off the property in Norway. Karen and Ed have enjoyed the club immensely. They've been able to do all the shooting they've wanted. Karen also says that she has always gotten lots of help from the men in the club for activities when needed. Ed says he'll miss the people very much.

Certifications & Honors

Karen and Ed have been Hunter Safety Instructors for 20+ years. They were also boating and snowmobile safety instructors and past commanders of DuPage Power Squadron. They are certified DNR Wingshooting Instructors, Level 1 Sporting Clays instructors and NRA Shotgun instructors.

Karen and Ed were recently recognized as DNR Volunteer Instructors for the State of Illinois for 2005 by the Department of Natural Resources. (See Pictures at right with their award.)

We will miss their smiling faces and their enthusiasm for the shooting sports. They have been a positive influence in many ways at Saint Charles Sportsmen's Club. And because of them, there are a lot of new shooters who have been introduced to the shooting sports.

When you see them at the club, stop and give them a hearty "Thank You" for a job well done.

Many thanks to Karen and Ed. Enjoy your new home in Wyoming. We know you've already made many new friends out there.

AIM Sponsored Shooting Clinic

A FRANK HOPPE CLINIC

Frank Hoppe
2002 Clay Target
Champion
2005 Hall of Fame
Inductee

Where: St. Charles Sportsmen's Club

When: October 14 and 15, 2006 (Sat & Sun)

Frank begins with a discussion that covers fundamentals, gun control, mind control, where to look for the target, follow through, stance, dominant eye, the mount, your attitude and more. After this discussion and answer period, shooters work on the 16 yard line.

Frank watches and guides each shooter through each target. He helps the shooter analyze why they miss a target, if that should happen. Frank helps shooters with special problems and gives them a remedy for that problem.

After a working lunch break, shooters work on handicap and end with doubles. In between each shooting session, there is a question and answer period. Class ends around 6:00, or when everyone is satisfied, usually with 225-300 targets shot.

Cost: \$275 per day (includes targets and lunch)

A \$110 non-refundable deposit is required to hold your place.

Turkey Hunt

Bill Hardt went hunting around Springview roughly 15 miles south of the Nebraska and South Dakota state line. This was his third successful trip out there. The shot pictured at right is of a 22.5 pound tom taken at 8:30 a.m. on Saturday, April 1st, at 14 yards at the "Boneyard". Jason Lambley (Hunts from the Heart) called in the bird. Just before sundown that day, Jason's persistence paid off as he called in a pair of toms and Bill took his 2nd and final 22 pound tom at 11 yards. He flew out in a Piper twinturbo courtesy of his neighbor Dan Rigby who took a 24 lb. and 22 lb 4 hours after they landed on Friday.

Bill says he may have to switch to a crossbow next year as recommended by his doctor.

Special Notice to Members

Illegal Calibers Found

There have been illegal caliber shells found at the Rifle/Pistol range. This is an ongoing problem which has forced the Board to take action. Any illegal caliber shell that is found at the range in the future shall force the closure of the Rifle/Pistol Range for 30 days. Know the rules! Any caliber handgun (NO MAGNUM LOADS) and only rimfire and black powder rifles are allowed. Members, if you see someone using illegal loads please tell them to stop and/or report the violation to the Board. It takes only one stray bullet that leaves the confines of the club and only one or two people who don't believe in following the rules to take away the privileges of the rest of the responsible members. Please don't let that happen. Be aware of what your neighbor is doing on the range.

...Bob Scherf
President

Letter To Members & Non Members

This Letter is to inform you that any MEMBER or NON-MEMBER found trying to move or fix any of the Trap Machines, will be brought up before the Board. We now have a Maintenance Committee who will take care of any problems. Thank you in advance for your support in this matter!

...Frank Kubica
Director / Machine Maintenance

Shooting Time Limit

Shooting MUST STOP on all ranges by 10:00PM sharp. Anyone caught violating this regulation will be brought before the board. We need to maintain a good neighbor policy with the surrounding development of new housing and neighbors. Right now we voluntarily stop shooting at 10PM as a courtesy. If we start getting too many complaints, the town of Elburn may be forced to mandate that shooting must stop at 10PM which could be the beginning of many more restrictions down the road. We certainly don't want that!

Be a good neighbor!

...Bob Scherf
President

Two Shell Rule

Club Rules states that a maximum of only TWO Shotgun shells are allowed to be used in a shotgun on club property while shooting Sporting Clays, Skeet, or Doubles Trap. Violators will be brought before the Board.

The ONLY exception is during special sanctioned club events.
